

2022 Annual Pledge Drive Begins

Our Board is beginning to work on the UUGP 2022 Budget and we need your help, so we initiated our pledge drive on Sunday Nov. 21st. You will soon be receiving an e-mail letter from us with an attached pledge form. Additional pledge forms are available on the counter below the clock in our building, next time you stop in.

Your pledges are an important tool for us as we plan our activities for next year, and set up our budget. Things that we typically need funds for are honoraria for our speakers, utilities and repairs (of course), and next year we hope to be able to bring in another Intern Minister in partnership with SOUUP.

Most of our members and friends contribute of their Time, Talents and Treasure, and all of it is very much needed and appreciated to keep us going. And right now is the season when we ask you to consider pledging for the coming year. Please think about what this "can do congregation" means to you, and pledge accordingly. We need your completed pledge forms by January 9th.

Thank you in advance,
The UUGP Board
